

Our Lady of Peace
Church & School ~ Darien, Illinois
The Marian Fathers of the Immaculate Conception

June 4, 2017 Pentecost

“All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them.”

Acts 2:4

From Father Walter's Desk...
 "The Heartbeat of a Parish!"

What is the heartbeat of a Parish? What is foundation? What is so important to a parish that its absence would sell disaster for itself? All three of these questions are really one question, for all of them point to the same answer. The answer is prayer.

You might think this answer is "obvious" or a "no-brainer" perhaps. On one level I agree with you. It does seem absurd to imagine a Catholic Christian Church that does not pray. More than that, it seems inconsistent and illogical. However an obvious reality though, it is still worth asking if we "get" it, the importance of prayer that is. Why? Well, in my experience anything this obvious can easily be taken for granted. Any point that is so assumed, as this one is, can easily be ignored and later forgotten.

This is probably why Christ talks about prayer in the Gospels. You have to remember that the Jewish religion was and is very prayerful. Jewish writing has always been rich in discussions on prayer. Yet this reality of Jewish prayerfulness was not enough for Christ. He did not simply assume it, or take it for granted. Rather, He spoke often on this most important topic Himself, and for the same reason mentioned above. A strong prayer life is the heartbeat of a religion, for the spiritual path upon which we walk. It is imperative for any parish church of any denomination - certainly Roman Catholic. It is for this reason that I typically respond to the question of what Our Lady of Peace Catholic Church will look like in the future with the answer that it will always be what it was always meant to be, and that is a place of prayer.

Prayer must permeate everything in this Church. It is not enough to celebrate the sacraments alone, yet certainly all must be celebrated if this Church is to be considered alive. But you see, "alive" is insufficient. One can be alive and do little if anything. Humans on any level are called to be the best they can be. Regardless of our state in life, there is always a higher bar that we can reach for. The word "alive" here must translate as vibrant! As a human being, I must watch what I eat and exercise often; I should remember that one is never too old to learn, to try something new. Regardless of age, I must continue to contribute my skills to the local community. As a member myself of AARP, I am well aware that such choices are continually being written about in its magazine and other periodicals. One can be vibrant at any age, and more than that, one should be. Don't we deserve to be? I certainly think so. And so does God! He gives us all the means to live vibrant lives, and for this reason, all that we do must be permeated with prayer.

So, prayer enriches our lives with a vibrancy not otherwise known. What else can it do? It gets us over the rough times in our lives. No life of any individual is perfect. We all know challenging situations. Individuals know it; families know it; parishes know it. With prayer we are more apt and willing to forgive and to move on. Additionally, prayer has proven to be the groundswell of creativity. Ideas come to us. We just are able to figure out new ways to contribute to the community, which in turn enriches us even more and enables us to be more creative yet. Anything else? Our health can even improve! Our blood pressure is more controllable; our ability to heal is significantly enhanced. Have I reached the bottom line now? No. With prayer we set the stage where miracles can happen. An experience so wonderful, beyond our imagination, is now available to us to experience. We come to understand at this level that vibrancy is a word, an experience, intimately associated with awe. Meaning in life is God's supreme gift to us. Prayer is how we receive it.

Peace,

Fr. Walter

*Remembering Jesus'
Message of Divine Mercy...*

St. Faustina writes in her diary:

"A noble and dedicated soul, even the most simple, but one of delicate sensibilities, sees God in everything, finds Him everywhere, and knows how to find Him in even the most hidden things. It finds all things important, highly appreciates all things, it thanks God for all things...places its trust in God...holds onto Him like a child to its mother" (Diary #148)

From the Catechism of the Catholic Church ...

"The virtue of hope responds to the aspiration to happiness which God has placed in the heart of every man; it takes up the hopes that inspire men's activities and purifies them so as to order them to the kingdom of heaven; it keeps them from discouragement...buoyed up by hope, (he) is preserved from selfishness and led to the happiness that flows from charity"

GOLF OUTING

We are in the beginning stages of starting up the Our Lady of Peace School Golf Outing again. It has been gone for a few years and it is time to bring it back. The outing will be a scramble and will take place at Carriage Greens on September 15th. We will have a shotgun start at 10 AM. The cost is \$125 per player/\$500 for a foursome. Please sign up as a foursome. Besides golf, lunch, dinner, and drinks will be provided. There will also be some fun games to be played throughout the day. We are looking for sponsors of holes and the beer and wine for the event. If you have any questions please contact us at olpgolfouting@olopdarien.org. Flyers will be in the bulletin in the near future. Please fill out the bottom portion and return it with your money to the school office as soon as possible.

PRE-KINDERGARTEN OPENINGS

Working with the current Pre-K staff, School Board members, and Finance Council members, we are expanding our Pre-K program to have two four year old classrooms and one three year old classroom. We are very excited about this because it not only has a direct impact on our pre-k program, but we believe that it will have an impact on the number of children entering our kindergarten classroom(s) in the future.

There are a couple of different options to choose from for our three year old program: ½ days on Monday and Wednesday or Tuesday and Thursday, 1/2 day for Monday through Friday, or full day for Monday through Friday. There are also a few options available for our four year old program: ½ day Monday, Wednesday, and Friday, 1/2 day Monday through Friday, and Monday through Friday full day. School starts at 8:15 for our pre-k students and ends at 11:10 for our ½ day students and 3:05 for our full day students.

If you are interested in hearing more about our programs or would like to set up a school/classroom tour, please call the school office (630-325-9220).

TECHNOLOGY PLANNING

This coming school year, Our Lady of Peace is planning to incorporate more technology into our lessons to enhance the learning that takes place in and out of the classroom. We will be more than doubling the number of iPads that we have for our Kindergarten through third graders to share. We will also be purchasing a laptop for all our students in the fourth through eighth graders. These laptops will travel with the students to be used in the classrooms and at home.

SCHOOL TOURS

We give school tours on a regular basis and we would love for you to see our school. We have a lot to offer all of the children, plus we have a lot to offer the parents as well. All school tours are given by our school principal, Mr. Wilkinson. Call the school office to set up a time to tour our beautiful school.

TUITION TRANSFER GRANT

Our Lady of Peace School offers the Tuition Transfer Grant to any child entering 1st – 7th grades and transferring from any non-area Catholic school. The grant is for \$1,000 off of tuition the first school year and \$500 off of the second year. Please call the school office (630)325-9220 for more information.

GARAGE SALE

The annual garage sale is scheduled to take place on June 24th. Thank you to Tony and Tammy Perna who have agreed to run the garage sale this year. They have just begun to put a team together. If you are interested in helping out please contact Tony or Tammy. The garage sale is a great way to do one of two things, either get rid of things in your closets, basements, and/or garages to help our school or search out great deals at the sale and help the school. This is our first fundraiser of the new school year and typically, it is our third largest fundraiser each year.

How to Receive the Holy Spirit:

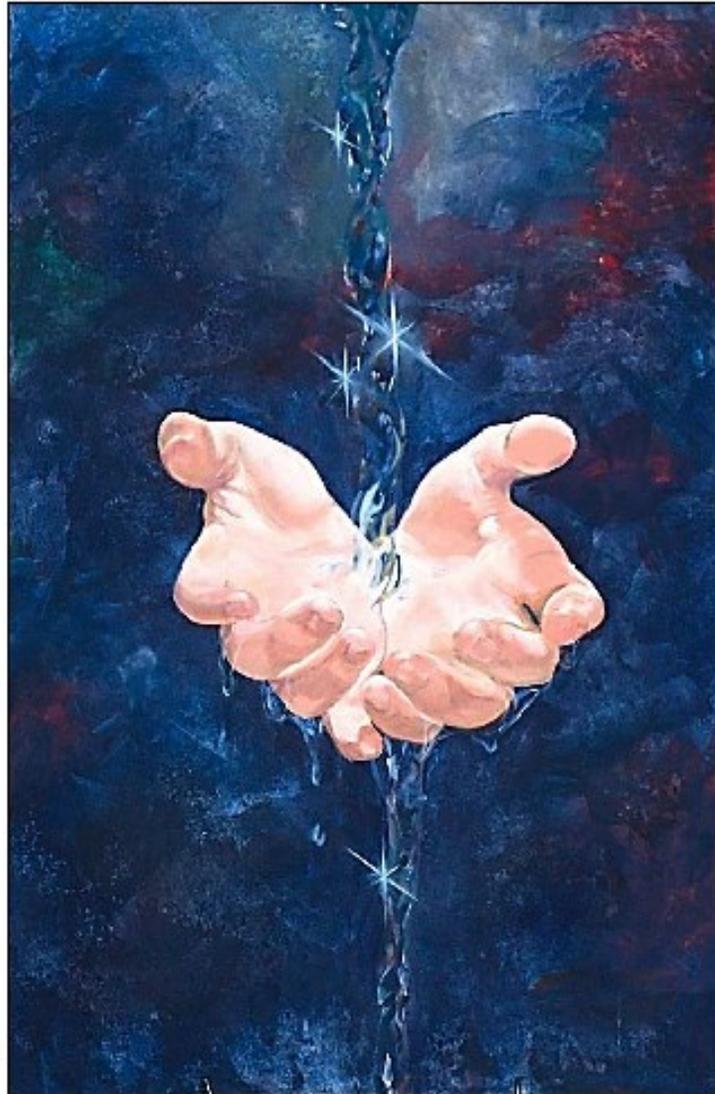

*Ask and you will receive;
seek and you will find;
knock and the door will be
opened to you.*

*For everyone who asks,
receives; and the one who
seeks, finds;
and to the one who knocks,
the door will be opened.*

*What father among you
would hand his son a snake
when he asks for a fish? Or
hand him a scorpion when he
asks for an egg?*

*If you then, who are sinful,
know how to give good gifts
to your children, how much
more will the Father in
heaven give the Holy Spirit to
those who ask him?*

–Luke 11:9-13
