Jesus said to

“Whoever wishes

*From Father Walter's desk...  
"Balanced Spirituality"*

Who can really disagree about importance of staying balanced? Living a balanced life promotes good mental and physical health. For example, I am diabetic. Once diagnosed, I read all that I could about this disease. I even took evening classes at Good Samaritan Hospital. I read about a man in one of the articles who said that since learning about diabetes, he has never been healthier. Why is that? Now, for the first time in years, he is living a balanced life. He eats better, being careful about carbs, and certainly being careful about the amount he eats so that his body does not absorb a high amount of calories, in turn causing him to gain weight. And he exercises during the week, not allowing himself to live a sedentary life.

The same is true for living a spiritual life. It too can be unbalanced. If I am not committed, I am off balance. In Scripture Christ is critical of anyone who claims to love God but yet does not love his neighbor. In the last book of the Bible, the book of Revelations, Christ speaks strongly about indifference, going so far as to say that He will vomit out of His mouth those who are neither hot nor cold. (Rev. 3:15-16) He speaks passionately about such behavior as it is characteristic of really unbalanced living. Once again unbalanced spiritual living, as with body, is simply unhealthy.

If I simply look at religion as a way to feel good, I am off balance. The example Christ gives here is his own agony, His suffering on the cross. Christ knew happiness, fun, and joy as revealed in the Scriptures too, but He also knew sorrow. All of the Saints knew the value of carrying their own cross in life. This is without exception. So often, people do not reach out to other people because they do not want to be hurt. Typically this is true because they have already been hurt. So, it is perhaps more accurate to say that they do not want to be hurt again. Nonetheless, people in the health care professions, motivational speakers, etc., encourage people not to live isolated lives because, yes, they may avoid pain but they are also removing themselves from experiencing the joys of life as well, which they can also experience from living a life connected to others. I read in a philosophy book that people who live such connected lives are apt to experience more creative lives, largely because they are more fulfilled. (Baggini, *What's it All About?* P.59) Can't it be said that happier lives are healthier lives? Dr. William Glasser, founder of Reality Therapy/Choice Theory, shared from his many years as a practicing psychiatrist, that one common characteristic among people who suffer from any sort of mental disturbance is the lack of any fulfilling relationship. Reaching out to people is that important.

The spirituality found in the Roman Catholic Church reflects such thoughts as expressed above in its own ideals. To say that Christ is fully God and fully man is the definition of balance. And from this principle the other principles are derived. I cannot just go to Mass on Sunday as a consumer simply wanting something; rather, I participate at Mass in a way that reflects what I am committed to living out during the rest of week, indeed, for my entire life. I receive the Lord in the Scriptures and in the Eucharist. I thereupon reveal Him to others in a heartfelt service. I join a parish ministry; I reach out to others. In balanced living, I find that I am receiving more than I am giving. I may know both happiness and pain; on the deepest level I also know the joy that comes from a fulfilled life. God bless you.

*Peace, Fr. Walter*

*From the Catechism of the Catholic Church ...*

"Now, however, 'we walk by faith, not by sight'; we perceive God as 'in a mirror, dimly' and only 'in part.' Even though enlightened by him in whom it believes, faith is often lived in darkness and can be put to the test. The world we live in often seems very far from the one promised us by faith. Our experiences of evil and suffering, injustice, and death, seem to contradict the Good News; they can shake our faith and become temptation against it." (CCC #164)

## **Emergency Collection THIS WEEKEND!**

This emergency collection will be used both to support the humanitarian and recovery efforts of Catholic Charities USA and to provide pastoral and rebuilding support to impacted dioceses.

**IMPORTANT NOTICE****IMPORTANT CHANGES FOR MASS INTENTIONS**

In order to follow the directives of the Diocese regarding Mass intentions based upon Canon Law 953, changes are needed to comply with this law.

Canon 953 states that no Mass intention may be taken that cannot be fulfilled within one year. The following changes allow the parish to be more responsive to the spiritual needs of our parishioners by having a Mass said in a timely manner and follow the law.

1. **Effective immediately, no Mass intention will be taken more than one year from the current date.** For example, on October 1 2017 the parish may schedule a Mass for October 1, 2018.

All Masses that have been scheduled for 2018 will be honored, but the new policy is effective immediately for Masses requested after the current date, 2018.

2. The Sunday 8:30 am. Mass will now be a COLLECTIVE INTENTION MASS. This means that this Mass may have multiple intentions. This MAJOR change gives the parish the flexibility to have intentions prayed for within 6 days of the request. All intentions for the Sunday 8:30 a.m. Mass will be announced. Having multiple intentions does NOT DIMINISH your intention, in fact, God's infinite grace and mercy is endless and you will be showing great compassion and understanding for another person who is in need of immediate prayers.

3. Con-celebrated Masses are also a good option to have a Mass said for someone's intention close to the request. This can take place when we have 2 or more priests at a weekday 7:30 a.m. Mass. The exact day of the request cannot be determined, because of the variability of Masses with a concelebrant. The name of the intention will be announced along with the one you see in the bulletin.

We hope that these new procedures will ensure your intention will be in a timely manner.

### *September 3, 2017*

#### **START OF THE SCHOOL YEAR**

We are off to a great start to the 2017-2018 school year. The school year began on August 22<sup>nd</sup> for our first through eighth graders and on August 23<sup>rd</sup> for our Pre-K and Kindergartners. The school building is quiet and boring without the teachers and children in the classrooms and hallways. It is so nice that we are all together for another school year.

#### **SAFETY CONCERNS**

Now that school is back in session, I ask that you cautiously drive in the parking lot if you are attending morning Mass during the week. Please do not cut through the parking lot to get out of the area quicker. Finally, for those of you that exit out to 75<sup>th</sup> Street, please do not travel East just South of the school building so that you can cut across 75<sup>th</sup> Street. This is a one way drive and could cause an accident for someone entering from 75<sup>th</sup> Street. The safety of our children is very important. I am sure that you would agree. Please drive slowly and carefully through the parking.

#### **PRE-KINDERGARTEN**

Our Pre-Kindergarten program continues to grow each year. Two years ago, our Pre-K program had one classroom, last year we had two classrooms, and this year we have added a third classroom. Not only do we wish to be the biggest Pre-K program in the Diocese of Joliet, but we also strive to be the best. By adding classrooms and great teachers, we will make our program better each year.

This year, we will have one Pre-Kindergarten three year old classroom with many half day and full day options and two Pre-Kindergarten four year old classrooms. One of the four year old classrooms will be for our half day students and the other will be for our full day students.

#### **REGISTRATION and SCHOOL TOURS**

If you are interested in registering for Pre-Kindergarten or any other grade level, please contact the school office (630-325-9220). Also, if you are interested in receiving a tour of our school please call the school office to set one up.

## **FUNDRAISING FOR HURRICANE HARVEY VICTIMS**

Our school has been praying for those impacted by Hurricane Harvey this week. The devastation of this storm/hurricane has been massive. Our school had an out of uniform day this past Thursday to help raise money for the victims of Hurricane Harvey. The Student Council is also making plans for a fundraiser for this same cause over the next week. We ask that you join us in praying for all of those impacted by Harvey.

## **GOLF OUTING**

The golf outing date is fast approaching and we have a couple of foursomes still available. Each golfer is charged \$125 or \$500 per foursome. If you are unable to get four golfers, please feel free to sign up as an individual. We will put you with others. There are also sponsorship opportunities available as well. If you do not want to golf, but would like to have dinner and drinks after golf you could do that as well for \$40 each. Forms are in the school office if you are interested in joining us for this special day.

All money raised will go towards purchasing new uniforms for our sports teams.

## **1,001 BACKPACKS FOR HAITI**

A former student of Our Lady of Peace School is working with other students at Nazareth collecting backpacks and school supplies that will be sent to children in Haiti. If you would like to participate, please bring the backpacks and other supplies to school. There is a bin in the main school hallway outside of the gym. We will collect these items until September 30th.

### Upcoming Dates

Couples for Christ is a Catholic organization intended for the renewal and strengthening of Christian family life. CFC works for Christian couples wishing to deepen their faith by helping one another to revive their relationship with our Lord and to allow themselves to be renewed by the power of the Holy Spirit. It started in 1981 with 16 couples. Within a few years, the association was recognized by the Philippine Bishop’s Conference, and its new approach to evangelization spread in the parishes as a program for the renewal of family life. On March 11, 2000 the Pontifical Council for the Laity decreed recognition of Couples for Christ as an International Association of the Faithful Pontifical Right.

We, in Couples for Christ are called to take up the very mission of Jesus in bringing glad tidings to the poor, both spiritually and materially, through it’s two-fold global mission of “Building the Church of the Home and Building the Church of the Poor.” We are very grateful to Fr. Walter Dziordz, our pastor and together with the Parish Council for giving us the opportunity to serve in our parish, Our Lady of Peace. Now, as a member of the Parish Family, Couples for Christ would like to invite the parishioners to **Marriage Enrichment Seminar (MES) Saturday, October 7, 2017, Our Lady of Peace Church Hall from 9:00am-5:00pm** (lunch and snacks will be served.)
