THE TWO DISCIPLES RECOUNTED  
WHAT HAD TAKEN PLACE ON THE WAY  
AND HOW JESUS WAS MADE KNOWN  
TO THEM IN THE BREAKING OF BREAD.

Luke 24:35

From Father Walter's Desk...  
*God's Perspective*

"We have a choice. Seeing things or choosing how we see things from God's Perspective" could more aptly be the title of this page, but certainly the title of "God's perspective" does point out where we would like to end up. It is where we need to end up. Let's play with this concept somewhat.

It goes without saying that all of us go through the day thinking many thoughts, and about many things. We ask ourselves questions. We judge events, along with judging other people. We ask ourselves whether we should do this or do that. But in most cases, perhaps all for some, we don't bring God into our conversations with ourselves, that is to say, into our thoughts.

Let's look at a few examples. It's all fictional. I might say to myself any of the following sentences. 1. I wonder if I should go there. 2. I wonder if I should take that job. 3. I wonder if I should see that person again. I mean, look what that person said about me.

Now let's say those same sentences again, but this time with the intent of seeing the world through God's eyes. 1. I wonder if God wants me to go there? 2. Does God want me to have this job? 3. Would God want me to see this person again? ALSO- I wonder how God feels about me not wanting to forgive this person?

See how our perspective changes by simply adding God into the picture? And all that we did was include or integrate God into the very sentences that we use in really talking to ourselves about anything. By doing this simple inclusion, we train ourselves to seeing our world with the largest possible perspective.

It's quite natural. Consider this: when we are infants and begin to grow as human beings, we are entirely selfish. And this is natural. A study was shown in which a ball is shown to a child under five. The ball is red on one side and blue on the other. I show the ball to the child and say, while showing the ball, "look at this ball, Hon. One side is red (showing the red side) and this side is blue (showing the blue side). "I turn the ball several times, constantly revealing the ball's two sides, with the two different colors. Now I only show the blue side to the child, with the red side toward me. I now say to the child, "what color am I looking at?" The child will typically say "blue." This is the color that the child sees. This is the way we are at this age – the only perspective we see is our own

Now as we age, and begin to meet other people, make friends, and date, etc., we grow out of our former perspective and enlarge, as it were, into a perspective that considers the perspective of other people. To be immature, is to stay stuck into a perspective in which the only perspective that can ever matter is mine. Some mental illness, maybe more than you think, is basically an outgrowth of immaturity. To not grow is to die. Anything alive in nature that does not grow, dies. Yes, I can die physically. I can also die spiritually too.

What I am presenting, by choosing to include God into ones' thought process, is to dynamically help all of us to grow. And we do this by training our minds to see our world with the largest possible perspective – God's. By use of such a method, our spiritual life can grow dynamically. Try it! See what it does for you. And finally, imagine if Adam and Eve asked God what God thought of either one of them accepting the apple from the serpent. They never did ask God you know. But suppose they did. Do you think that their state of affairs would have turned out differently? Your answer is the aim of this page today. Blessings!

*Peace, Fr. Walter*

### **PRE-KINDERGARTEN OPENINGS**

Our pre-kindergarten program was overhauled this past summer to align it more to our regular school day and year. Our Pre-K 3 and 4-year old programs have diocesan approved curriculum that sets us apart from other pre-kindergarten programs in the area. Both classes have small teacher and teacher aide to student ratios.

At this time, we still have a few openings in our three-year old program. There are a couple of different options to choose from: ½ days on Monday and Wednesday or Tuesday and Thursday, 1/2 day for Monday through Friday, or full day for Monday through Friday. School starts at 8:15 for our pre-k students and ends at 11:10 for our ½ day students and 3:05 for our full day students.

If you are interesting in hearing more about our programs or would like to set up a school/classroom tour, please call the school office (630-325-9220).

### **OPEN REGISTRATION**

We currently are accepting registration for the 2017-18 school year. We are Diocese of Joliet school that has a strong curriculum and high standards for Pre-K 3-year olds through 8<sup>th</sup> grade. We have an outstanding school that stresses academic, emotional, physical, and most importantly, spiritual growth. Our children, parents, and staff create a very family friendly atmosphere for everyone. By placing one foot in our school doors you will be convinced that this is the best place for you and your family.

To set up a tour of our school or a shadow day for your child please call the school office (630-325-9220). We look forward to sharing our wonderful school with you!

### **DODGEBALL FOR DIAPERS**

Our first through eighth graders will be collecting packages/boxes of diapers next week as they compete in their annual dodgeball for diapers. The kids have a great time and we help Waterleaf with helping families in need.

### **PANCREATIC CANCER AWARENESS MONTH**

April is pancreatic cancer awareness month and OLP is doing our help to help. On Wednesday, April 26th, our students and staff wore purple to school to help raise awareness for this disease. Students and staff members were asked to donate at least \$1. We have also decided to donate money from our Lenten out of uniform days to this great cause.

## H.S.A. ¼ BEEF SALE

The Home School Association is offering our school and parish families the opportunity to purchase ¼ of a cow (approximately 185 pounds) for the low cost of \$850. That comes out to about \$4.65 per pound. If you are interested in placing an order, the orders and money are due into the school office by May 5<sup>th</sup>. The meat will be delivered in the middle of May.

## 17<sup>th</sup> ANNUAL DARIEN DASH

The annual Darien Dash will take place on Sunday, May 21<sup>st</sup> at Darien Community Park. There is a 1 mile, 5K, and 10K runs, plus a fun run for kids 5 and under. Register at [dariendash.com](http://dariendash.com). The school or other 501C3 (not-for-profit) that has the largest number of runners will be awarded \$1,000. If you are going to run, please sign up as a member of the Our Lady of Peace School.

## Happiness

A new adult formation class is coming to OLOP. The class will meet every Monday from 7-9 PM in the church basement for 7 weeks beginning 5/1/17. Isn't it strange that we all need happiness so much, yet still know so little about what it is and how to get it.....and keep it. The class will look at "The 4 Levels of Happiness" - depression, evidence of our transcendent and eternal life, near death experiences, The Resurrection, joy, and how to properly deal with suffering. The class will include, videos, handouts, discussions and a 100 page workbook. The workbook is free, but a blind, free will offering will be collected to cover the \$14 cost. This will be enjoyable, so bring a friend or your teenager or college student along. All questions will be addressed. Please email Deacon Pat at [pkenny@olopdarien.org](mailto:pkenny@olopdarien.org) so I can order enough workbooks.
