

March 31, 2019 | Fourth Sunday of Lent

This son of mine was dead, and has

COME TO LIFE AGAIN;

*he was lost, and has been found.*

~ Luke 15:24

*The Marian Fathers of the Immaculate Conception*

*From Father Walter's Desk...*  
*"Memory Lane"*

Frequently I have conversations with people with whom I remember our Catholic past together. Remembering the good old Catholic upbringing days can be fun! Typically, we find ourselves remembering the Nuns we had as teachers in Grade School. And if we are not talking about the Sisters, we find ourselves talking about what we remember about the Latin Mass and everything associated with it, like the long altar railing, the pew rental fee, and so on. In the spirit of these memories, from time to time I'd like to offer some other memories I have with you. Do you remember the following?

1. From my earliest age I was taught to memorize short Catholic prayer sayings, ideally recited throughout the day. An example would be, "Jesus, Mary, and Joseph, I love you." See how simple that one is? Do you remember others? I have always experienced the power of such prayers, so much so that nowadays I offer more contemporary ones to people. Why not? If such prayers can help keep you centered, more focused, more together, gives you a good sense of drawing closer to God, than it is worth its weight in gold. Recently I have been suggesting, "God's Love always flows through me." Try saying this one to yourself throughout the day. See how you feel.
  2. The Sisters I mentioned above always taught me to look at the Host at the moment of Consecration and say in my mind, "My Lord and My God." Were you taught to say this when you were younger? I would think that this practice is as relevant now as it has always been.
  3. I know that I have mentioned before my experience of my father tipping his hat when passing by a Catholic Church, whether driving or walking. In this way, he always honored the Real Presence of God.
  4. My mother always kept Holy Water in the house. She would have a sacred image that contained the Holy Water near the front door, and my sister and I as children would frequently bless ourselves. Such a practice makes so much sense, especially when I remember being taught as a child that Holy Water, along with your intention to have it done, removes venial sins. It teaches us from childhood on the importance of always maintaining an awareness of needing to be purified.
  5. Again as a child, I noticed how frequently people would have their homes blessed. A priest would come over to the home, and along with a special ritual, bless the house. Most priests would bring Holy Water with them. When I bless someone's home, I ask the family to have a container of water ready, and when I come over I bless that water first. I use this same water to bless the house. When I leave, the water stays behind to be used by the family. See my note on Holy Water above (#4)! One real neat way to bless the water is to have the family hold hands around the container. I am leading the prayers, but we are really blessing the water together. I invite each member of the family standing with me to offer what blessings they would like to have for their family, and for their home.
  6. Not only did my family have the house blessed, but we even made sure that our car was blessed too! People today frequently ask me to bless their cars. It's a practice with a life of its own! Of course, it is also common today to ask a priest to bless their place of business, too. I've blessed quite a few stores as well.
- May God bless you and your family in every way!

*Blessings! Fr. Walter*

### **Lenten Regulations**

1. Everyone 14 years of age or over is bound to abstain from meat on Ash Wednesday and all the Fridays of Lent.
2. All from the age of 18 years up to the beginning of their 60th year are bound to fast on Ash Wednesday and Good Friday.
3. On these two days of fast and abstinence, only one full meatless meal is allowed. Two other meatless meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal. Eating between meals is not permitted on these two days, but liquids, including milk and fruit juices are allowed. When health or ability to work would be seriously affected, the law does not oblige.
4. To disregard completely the law of fast and abstinence is seriously sinful.
5. Lent is the principal season of penance in the Church year. All of the faithful are strongly urged to develop and follow a program of voluntary self-denial (in addition to following the Lenten regulations), serious prayer, and a performance of works of charity and mercy.
6. Those who are sick, pregnant, or nursing, or whose health would adversely be affected by fasting or abstinence, should not consider themselves bound by these norms.

## Our Lady of Peace FISH FRY

The Third Annual Our Lady of Peace Fish Fry was a beautiful night of faith, fellowship, and fun. There were over 500 people that attended the event! The Fish Fry would not have been a success without the many, many hands that helped us that evening. We are eternally grateful to Schwaib's, Inc. for providing all the delicious food, the Knights of Columbus for handling the refreshments, Christ Renews His Parish/Welcome for providing desserts, the Social Committee for taking tickets, the HSA for holding a split-the-pot, the Malachuk family and BreakThru Beverage Company for donating wine for the event, the many students that cleaned at the event, and the numerous parents that helped with serving food, aiding with clean-up and making the Fish Fry run perfectly. We also cannot forget to acknowledge our many sponsors who purchased ad space on the placemats that were at the event. It was easy to feel the presence of God all around us that evening. We can only hope that this tradition will continue for many, many years to come.

In His Loving Name,  
 Christina and Andrew Brunsen

## **Donations are matched with Catholic Charities' Angel Fund!**

Catholic Charities, Diocese of Joliet is facing an especially challenging year. Significant government funding cuts to emergency homeless shelters have left the future of Daybreak Center in jeopardy. These funding changes will require the Agency to secure an additional \$500,000 annually to operate the Catholic Charities, Daybreak Shelter.

**By the grace of God, we were blessed with an angel who will match your donations – up to \$50,000. Will you join our angel to help the homeless and others who live in poverty who are served by Catholic Charities?**

With your support, Catholic Charities can continue to serve our poor and vulnerable neighbors.

Every day, we meet individuals who are experiencing poverty, but are motivated to create a brighter future through hard work. The resources provided by Catholic Charities, including those at Daybreak Center, are vital to the well-being of our clients and to the entire community. Please be generous. This is an opportunity to help someone who will have nowhere else to turn if Catholic Charities isn't there to help.

Please send in a donation by May 31st. Make checks payable to:
