The Most Holy Body and Blood of Christ

Taking the five loaves
and the two fish,
and looking up to heaven,
Jesus said the blessing
over them,
broke them
and gave them to the
disciples to set
before the crowd.

WHAT THE NEW ABORTION LAW DOES!

According to Peter Breen, Vice President and General Counsel for the Thomas More Society, a national public interest law firm, "This law is the most radical sweeping pro-abortion measure in America and makes Illinois an abortion destination for the country. The *deceptively titled "Reproductive Health Act" gives our state some of the most extremely permissive abortion laws of any state in the nation.*"

The Illinois Reproductive Health Act would:

- Allow abortions for any reason throughout all nine months of pregnancy
- Eliminate any restrictions on where abortions may be performed
- Allow non-physicians, including nurses and physician assistants, to perform abortions, both surgical and medical
- Undermine and threaten institutional and individual rights of conscience (NO Healthcare Provider or Institution could refuse to do an abortion)
- Jeopardize any meaningful regulation of abortion clinics (NO inspections of facilities performing surgical procedures)
- Require private health insurance policies to include coverage for all abortions, with no exemptions, even for churches and other religious organizations
- Eliminate any requirement to investigate fetal deaths or maternal deaths resulting from abortion
- Repeal law prohibiting "kickbacks" for abortion referrals
- Repeal the Parental Notice of Abortion Act of 1995, which has been responsible for a reduction of more than 55 percent in abortions among Illinois minors since 2012.

Under provisions of the bill:

- parents would be required to pay for a daughter's abortion even over their objections. According to current state law, "No parent shall be liable for any expense incurred by his or her minor child when an abortion is performed on such minor child without the consent of both parents of such child."

Republican Rep. Avery Bourne said, "It takes out measures that we have legislated over the years, because we think it's important to stand up for the people who are impacted." Bourne is assistant Republican leader in the state House and an expectant mother.

The Thomas More Society described the bill as "the most radical piece of abortion legislation that has ever been introduced in Illinois."

- It would establish a "fundamental right" to abortion and prevent the state from interfering in any way in the killing of unborn babies.
- It would erase criminal penalties for performing abortions and allow non-doctors to do them.
- The legislation also would repeal the partial-birth abortion ban, abortion clinic regulations and conscience protections for medical workers.

"This bill remains the most radically pro-abortion measure of its kind and would make Illinois an abortion destination for the country," said Peter Breen, a former Illinois representative and Thomas More Society vice president and senior counsel.

Saying the bill is even more "barbarous" because of some included amendments, Breen said it does not limit late-term abortions. Breen said

- the bill defines "viability" to exclude many premature babies who now can survive, while exceptions for late-term abortions include basically anything.

"This bill creates a 'fundamental right' for abortion, with the strongest protections in law, above even the First Amendment right to free speech," he said. "Abortion would become the primary and principal right in Illinois, above all others."

In the face of our country's challenges, and challenges within the Church herself, Catholics find strength in the hope of Jesus Christ. We want to share that hope with everyone.

Religious freedom gives us the space to carry out the mission that Jesus has entrusted to the Church. Religious freedom means that Catholics, and all people of goodwill, are free to seek the truth and to live in accordance with that truth, and so to strengthen our common life as a nation.

Beginning June 22, the Feast of Saints Thomas More and John Fisher, the United States Conference of Catholic Bishops celebrates Religious Freedom Week. In the midst of our current challenges, join us as we seek the kingdom and find Strength in Hope.

THE FOURTH MONTH - JUNE 25 TO JULY 25

Faith-filled Joseph, believing the revelation that he is to be the protector of the Messiah, bravely stands by Mary's side offering his strength and sense of mission as her body accommodates her child.

How many fathers have abandoned the mothers of their children?

How many fathers who have treasured a child never know of its existence or of its terrible end?

Babies are denied life who can, at this stage, hear, open and close their lips, hiccup and suck their thumbs. At six inches long, the baby kicks, curls and fans toes, and makes a fist.

Sadly, 160,000 abortions per year take place after the fourth month.
