WHAT THE NEW ABORTION LAW DOES!

According to Peter Breen, Vice President and General Counsel for the Thomas More Society, a national public interest law firm, "This law is the most radical sweeping pro-abortion measure in America and makes Illinois an abortion destination for the country. The deceptively titled "Reproductive Health Act" gives our state some of the most extremely permissive abortion laws of any state in the nation."

The Illinois Reproductive Health Act would:

- Allow abortions for any reason throughout all nine months of pregnancy
- Eliminate any restrictions on where abortions may be performed
- Allow non-physicians, including nurses and physician assistants, to perform abortions, both surgical and medical
- Undermine and threaten institutional and individual rights of conscience (NO Healthcare Provider or Institution could refuse to do an abortion)
- Jeopardize any meaningful regulation of abortion clinics (NO inspections of facilities performing surgical procedures)
- Require private health insurance policies to include coverage for all abortions, with no exemptions, even for churches and other religious organizations
- Eliminate any requirement to investigate fetal deaths or maternal deaths resulting from abortion
- Repeal law prohibiting "kickbacks" for abortion referrals
- Repeal the Parental Notice of Abortion Act of 1995, which has been responsible for a reduction of more than 55 percent in abortions among Illinois minors since 2012.

Under provisions of the bill:

- parents would be required to pay for a daughter's abortion even over their objections. According to current state law, "No parent shall be liable for any expense incurred by his or her minor child when an abortion is performed on such minor child without the consent of both parents of such child."

Republican Rep. Avery Bourne said, "It takes out measures that we have legislated over the years, because we think it's important to stand up for the people who are impacted." Bourne is assistant Republican leader in the state House and an expectant mother.

The Thomas More Society described the bill as "the most radical piece of abortion legislation that has ever been introduced in Illinois."

- It would establish a "fundamental right" to abortion and prevent the state from interfering in any way in the killing of unborn babies.
- It would erase criminal penalties for performing abortions and allow non-doctors to do them.
- The legislation also would repeal the partial-birth abortion ban, abortion clinic regulations and conscience protections for medical workers.

"This bill remains the most radically pro-abortion measure of its kind and would make Illinois an abortion destination for the country," said Peter Breen, a former Illinois representative and Thomas More Society vice president and senior counsel.

Saying the bill is even more "barbarous" because of some included amendments, Breen said it does not limit late-term abortions. Breen said

- the bill defines "viability" to exclude many premature babies who now can survive, while exceptions for late-term abortions include basically anything.

"This bill creates a 'fundamental right' for abortion, with the strongest protections in law, above even the First Amendment right to free speech," he said. "Abortion would become the primary and principal right in Illinois, above all others."

THE FOURTH MONTH - JUNE 25 TO JULY 25

Faith-filled Joseph, believing the revelation that he is to be the protector of the Messiah, bravely stands by Mary's side offering his strength and sense of mission as her body accommodates her child.

How many fathers have abandoned the mothers of their children?

How many fathers who have treasured a child never know of its existence or of its terrible end?

Babies are denied life who can, at this stage, hear, open and close their lips, hiccup and suck their thumbs. At six inches long, the baby kicks, curls and fans toes, and makes a fist.

Sadly, 160,000 abortions per year take place after the fourth month.

Has anyone ever asked you to "BE A FRIEND FOR LIFE OF SOMEONE YOU DON'T KNOW"? - To be a "VOLUNTEER BLOOD DONOR"?

A volunteer blood donor is someone who knows that blood is a truly human resource, and that the only source of this life giving gift is via volunteer blood donors. Volunteer blood donors know that every day there are hospitalized patients depending upon blood donors for the blood they need. That every pint of blood they donate will help 3 individuals.

On Saturday, July 20th in Our Lady of Peace School Gym from 8:30 AM to 2:30 PM you can "BE A FRIEND FOR THE LIFE OF SOMEONE YOU DON'T KNOW" and join your fellow parishioners by donating a pint of your blood. After you donate, you'll know that your donation will be helping to save the lives of three individuals you do not know.

If you are 17 years old or older and weigh 110 lbs or more, please play an active role in our parish/community by donating a pint of your blood on Saturday, July 20th.

Please remember to bring a photo ID and eat & drink before coming.

If you have any questions please call Rosemarie Courtney, 630-964-8415 or email her at rdcourtney@prodigy.net.
