Nineteenth Sunday in Ordinary Time

A message from Fr. Mark... "Consecrating the parish to the Blessed Mother"

This Thursday, on the Solemnity of the Assumption, I will be consecrating Our Lady of Peace parish to the Blessed Virgin Mary at the 7 pm Mass. In reading this you may be wondering a few things. The first may be 'what is consecration to Mary?'. The second, 'Why do we consecrate ourselves to Mary?' Or the third 'why consecrate the parish? Isn't having the parish named after the Virgin Mary good enough?' First let me talk about what consecration to Mary is about. To this end, let me first explain the notion of consecration. The word consecration has to do with the act of making or declaring something to be holy or sacred. At the heart of consecration is the idea of something being dedicated 'to' or 'for' a sacred purpose. Personally, we first encounter the reality of consecration when we are baptized. Through this sacrament God the Father consecrates us to Himself through his Son, Jesus Christ, and in the power of the Holy Spirit. In this manner we see that consecration is the grace whereby God dedicates us to himself as his children. Our whole purpose of existence as baptized Christians, then, is to live out this consecration or dedication to God by living a life that seeks to do his will in all things. If the Christian life is about living out our baptismal consecration to God then why would we even consecrate ourselves to Mary. Aren't we complicating things by adding another person, and a human one at that, into the mix? Well, the simple answer to that question is 'no'. The reason is because Jesus doesn't see it as complicating things. For, when he was dying on the Cross his act of giving Mary to the apostle John represented the spiritual reality that he was giving Mary to the Church to be its Mother so that she can have a maternal influence in the life of the Church. In this way, he was stating that he wants Mary to have a maternal influence in our life. That influence consists solely in leading us to Himself. In giving Mary to John he is telling us that he wants us to take Mary into our own hearts so that she may exercise her maternal influence from heaven in order to guide us to her Jesus and make us like Him. This is what consecration to Mary is all about.

In his apostolic letter on the Holy Rosary, Pope John Paul II wrote the following which succinctly explains why we consecrate ourselves to Mary:

"Our entire perfection consists in being conformed, united and consecrated to Jesus Christ. Hence the most perfect of all devotions is undoubtedly that which conforms, unites and consecrates us most perfectly to Jesus Christ. Now, since Mary is of all creatures the one most conformed to Jesus Christ, it follows that among all devotions that which most consecrates and conforms a soul to our Lord is devotion to Mary, his Holy Mother, and that the more a soul is consecrated to her the more it will be consecrated to Jesus Christ."

In this way, we can see that in consecrating ourselves to Mary we are just simply dedicating ourselves to her through a spirit of openness and surrender to her maternal influence in our lives. All of this for the purpose of her helping us to achieve the overall purpose of our baptism which is consecration to God.

If the notion of consecration, and the consecration to Mary, specifically, then, is such a personal act why then would it involve a place like a parish?

To answer that one I will point to the fact that anything can be dedicated to God. As I just explained, we can choose to dedicate our person to God. We can also choose to dedicate things to God as well. The vessels used in the liturgy, for example, are perfect examples of this type of consecration. A Church buildings, the altar, the chalice and the cups that hold the consecrated hosts are all consecrated before they can be used for liturgical worship. It signifies that we are dedicating or surrendering these things to God in their use of worshipping Him. We can choose to do something similar with places. In consecrating a place to God, we are simply seeking that a specific area have a greater openness and surrender to the Divine influence. We can consecrate our house, for example, to the Sacred Heart of Jesus and in doing so we are opening our home to the influence of the Merciful Heart of the Savior. In a similar way, when we consecrate a place to Blessed Virgin Mary, we are desiring a greater openness and surrender of that location to her maternal influence. The purpose being that she will help to protect and guide that area, and especially all the people in it, to be imbued more with the Holy Spirit. Consecrating a location to the Blessed is so powerful that the Holy Virgin asked, during the Fatima apparitions in 1917, that the Pope consecrate Russia to her Immaculate Heart. It is not surprising that 5 years after Russia was finally consecrated to her by Pope John Paul II in 1984, that the oppressive grip of communism on Russia was finally released as the iron curtain finally fell in 1989.

With this explanation, I hope it is now a little more clear why I am consecrating Our Lady of Peace Parish to our Blessed Mother. Simply stated, I want to use my authority to open our parish up to an even greater influence of Her maternal help. Jesus delights when we have recourse to her because He loves to act in the lives of those consecrated to Him through her intercession. No one can love Mary more than Jesus and consecration to Mary is a way in which we can best seek to imitate Our Savior. If you can, please join us for this great event this coming Thursday and most of all please lift it up in prayer so that the heart of this parish may be more opened to the love of she who was assumed body and soul into heaven for the purpose of exercising her maternal authority in our lives.

God Bless,
Fr. Mark

THE FIFTH MONTH - JULY 25 TO AUGUST 25

It is now apparent, even in the shapeless fashions of her time, that Mary is with child. At five months, there is no mistaking Jesus' presence. Mothers feel baby's reaction when startled by outside noises or even a subtle hiccup. The baby now tastes of what he drinks. Sweet is fine; sour, uh-uh! The baby is now about 12" long and weighs more than a half pound.

Despite these evidences of life, many abortions are performed each day in the U.S. on women carrying a child five months or older.
