The Marian Fathers of the Immaculate Conception

Dear Parishioners,

Summer time is often when personnel changes happen in many parishes. At the beginning of July, you said goodbye to your pastor Fr. Walter, whose place was taken by Fr. Mark. Now for the last four weeks you've seen another new face in the parish. He has a bald head, glasses and a strange English accent. That is me, your new priest! My name is Fr. Peter Lach, and I come from Poland, where I was born on August 15, 1972. And my birthdate may be why I chose the Congregation of Marian Fathers, because I came into the world on the solemnity of our Lady's Assumption. I spent my entire childhood in Gdańsk (in the north of Poland), which is known in Europe and the world as a city of freedom. It was there that the Solidarity movement began, which gave rise to the break-up of communism in Europe. It is also the birthplace of the second most famous modern-day Pole (next to Saint John Paul II), Lech Wałęsa, a worker who initiated the Solidarity movement, and later became the president of Poland. When people ask me what connects Americans and Poles, I often respond, "love for freedom."

However, I was supposed to write about myself and not about the history of Poland. As I said earlier, I joined the Congregation of Marian Fathers and on May 30, 1998, and was ordained a priest. I have been a priest for 21 years and have ministered in various places throughout Poland. I've served as a priest in parishes, church administration and as a director of a hospice for people dying of cancer. It was a very meaningful experience for me, in which I encountered human suffering and was able to accompany the dying in their passing to eternity. I've also served in my congregation's religious house in Fatima, Portugal. There, I met many pilgrims who came to this wonderful place of the apparitions of Our Lady. In August 2017 I moved to the United States and began living in our seminary in Washington, D.C. , where I tried to learn English. While there I served as a spiritual father to our men in formation. And now with great joy, I have come to Darien to be with you and for you, at our beautiful parish of Our Lady of Peace. It is my conviction that the modern world needs peace, so let this idea not only be the name of our parish, but above all a real task for each one of us.

What else about me? In my free time I like to read books based on true stories, biographies and everything related to history. So if you know of any interesting titles, please let me know!

In addition, I like traveling, seeing new places and meeting new people, as they are gifts from God. I'm also a volleyball fan and enjoy watching matches on TV (like a couch potato).

I am happy to be here with you and I look forward to cooperating with you at our parish.

God bless you!

Fr. Peter

LOST & FOUND! Please check the lost & found box in the Church Vestibule for umbrellas, glasses, etc. Thank You!

Greetings from Fr. James Enin

Dear OLOP Parishioners,

Thank you for your prayers and concern for my well-being. As you may be aware, I have had my right leg amputated as a result of my diabetic condition. At the moment, I am gradually recuperating from the surgery. I am grateful for your thoughts and prayers, which I know has played a big role during my moments of anguish and despair. By the grace of our merciful God, and through the intercession of our Blessed Mother Mary, I am now feeling much better, and am able to walk around with my “new leg” (as you can see in the picture). I continue to pray for all of you – the OLOP

Family, asking our Heavenly Father to render His Mercy and Love upon all of you. A special thank you to the following parishioners for their kind acts of love, - The Modelski's, the Averion's, the Ojiako's, the Uzarowicz family, the Jung's, Marian Molfese, the Koranteng's, and the Veas. May God bless all of you. Thank you.

Fr. James Enin, MIC.

THE FIFTH MONTH - JULY 25 TO AUGUST 25

It is now apparent, even in the shapelessss fashions of her time, that Mary is with child. At five months, there is no mistaking Jesus' presence. Mothers feel baby's reaction when startled by outside noises or even a subtle hiccup. The baby now tastes of what he drinks. Sweet is fine; sour, uh-uh! The baby is now about 12"long and weighs more than a half pound.

Despite theses evidences of life, many abortions are performed each day in the U.S. on women carrying a child five months or older.
