LIFE IN ACTION | MIRACLE OF THE MONTH
OCTOBER 2019

"It's A Girl!"

"Gloria" was a previous patient who planned to terminate her first pregnancy but after her ultrasound changed her mind and chose to parent. Unfortunately, that pregnancy ended in a miscarriage. When she found herself pregnant again, she initially thought this was not a good time because she was struggling financially and didn't know to whom she could turn to for help. Then she remembered Waterleaf. When she called us, she said, "I remember how nice everyone was at Waterleaf and that you guys would help with resources, so I wanted to come back here for this pregnancy."

After seeing the heartbeat during her ultrasound, Gloria felt a connection to her baby. She came back for her 2nd ultrasound and told us she wanted to make plans to find out the baby's gender. Just this week, Gloria contacted us, sounding very excited and told us, "It's a girl!" She stated she is grateful that we are here for her during this critical time in her life when she felt no one would support her.

"It truly is breathtaking. The ultrasound was such an incredible precious moment and I highly recommend it!"

**Come Learn about the Life
of St. Giuseppe Moscati**

Thursday, October 17

6:00 - 9:00 pm

(6:00 - 7:00 pm Potluck Dinner)

St. Joan of Arc Church

Parish Center, Room 22

820 Division St., Lisle, IL

Director of Adult Faith Formation, Michael Lewandowski, will present on the life of St. Giuseppe Moscati. St. Giuseppe was born in 1880 in Italy to a prominent family. The Moscati Family boldly practiced their faith when anti-Catholic sentiment ran high. This strong and unshakable faith influenced young Giuseppe, who refused to succumb to the agnosticism and atheism of his day.

As a young man, Giuseppe devoted himself to medicine and scientific research. Medical journals, academics, and students sung the praises of this quiet doctor, whose presence brought such peace and joy. His Catholic faith inspired and directed him to help the poor and suffering. He reached out to those without money or means and brought them healing and comfort. Giuseppe is the first modern doctor to be made a saint. His witness especially shows how science and faith work together to treat the whole person.

America Needs Fatima

October 12, 2019 – 12:00 Noon

In front of the Marquee in the Church parking lot

America is at a historic crossroad. Secularists are trying to push God from the public square more than ever before. They reject His beneficiary action upon society. But without God, where will our leaders get the wisdom to solve the great problems we continue to face? We must stop the secularist advance and pray to God for help through the intercession of His Mother, Mary. This year, more than ever, we need to pray for our country and its leaders. That is why we're launching the tenth Public Square Rosary Crusade.

In *The Secret of the Rosary*, Saint Louis de Montfort said: **“Public prayer is far more powerful than private prayer to appease the anger of God and call down His mercy, and Holy Mother Church, guided by the Holy Ghost, has always advocated public prayer in times of public tragedy and suffering.”** This is once again a nationwide rally to be held across the country on this day and time. It will only take about 40 minutes. Over 50 people came last year to say the rosary with us and publicly stood up for their faith – how pleased Mary was. Please join us again this year and bring a friend and a lawn chair. *Any questions, please call Dodie Przybycien 630-323-7929.*

Catholic Charities, Diocese of Joliet is hosting **“Playing for Miracles,”** a fun and lively fundraiser on **Friday, November 15 at Carlisle Banquets** (435 E. Butterfield Rd.) in Lombard. The event features open bar, dinner, charitable gam-

ing, silent auction, and live auction! It's sure to be a great time! Tickets are \$175 each and are available online at catholiccharitiesjoliet.org or by calling 815-724-1140. All funds raised will be directed to Catholic Charities, Diocese of Joliet.
