LIFE IN ACTION | MIRACLE OF THE MONTH

OCTOBER 2019

"Dee" was hurting inside. "I can't afford a baby, but I also can't afford an abortion. 'Josh' just lost his job and I am only working part time. Is there anything you can do to help?"

When they saw their 11-week old baby on the ultrasound screen, a deep resolve settled in. Seeing that little baby on the ultrasound changed everything for this couple.

Too often we hear this cry for help at Waterleaf. The financial tension between choosing to parent long-term and affording the up-front costs of an abortion is something men and women face every day. There is no "easy way out", but when people like Dee and Josh discover there is help, it makes a huge difference. They just needed someone to share the truth with them that abortion was not their only option. We are **THANKFUL** that because of our supporters Waterleaf is able to offer patients, like Dee and Josh, help with financial burdens and material resources. Your support literally made the difference between life and death. This couple now has access to our on-line classes, talks things out with our Resource Specialist, and allows Waterleaf an opportunity to connect them to additional resources that will benefit their future and their baby's life forever. We do all of this with *Thanksgiving* in our hearts!

Look for the Giving Tree "Angels"

Thanksgiving Weekend

*"For it is in giving that
we receive."*

St. Francis of Assisi

If you want to feel the true meaning of Christmas, we invite you to participate in our Giving Tree. Each year our parishioners are delighted for the opportunity to share with the less fortunate, at the same time the recipients of these gifts are humbly grateful. Our Lady of Peace Giving Tree program provides a happy Christmas to local families who have difficulties making ends meet and come to our parish weekly to benefit from the Deacon Paul Brachle Food Pantry at OLOP, Children at the Indiana Children's Home, Catholic Charities Daybreak Center and Children that the Missionaries of Charity serve.

On Thanksgiving weekend, **November 30/December 1**, two trees will be hung in church on the side walls adjacent to the altar. The trees will be decorated with angel ornaments, numbered for specific recipients. The back side of the ornament will list gender, size and a SUGGESTION of something the individual might like to receive. We ask that you take an ornament ONLY if you are able to purchase one of the suggested items or something similar.

Please remember that by taking an ornament, you are making a commitment to provide the individual with a gift.

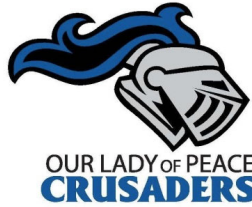

Attach the ornament to the wrapped gift with the number visible

Please deliver all prepared gifts to the School Lobby before or after all Masses (with the exception of 6:30pm Sunday Mass) **December 14th & 15th**
All gifts must be turned in by 12 noon on
Sunday, December 15th.

PLEASE DO NOT DELIVER ANY GIFTS
TO THE RECTORY

Contact Debbie Kenny with any questions.

Children's Mass: Thank you to the students who led us in a beautiful Mass last Sunday at 10:15. The next Children's Mass will be held on December 8th at 10:15. A special "Thank You" is extended to Mrs. Dvorak for planning these Masses.

Veteran's Day Mass: Our Lady of Peace School held a special Mass on November 11th to honor all veterans. We thank you for your service to our country. A special "Thank You" is extended to Chris and Andrew Brunsen for organizing the reception for the veterans after the Mass.

Preschool and Kindergarten Preview Night: On Wednesday, November 20th from 6-7 pm there will be an Open House highlighting our preschool and kindergarten programs. Meet the teachers, see the classrooms and learn about our thriving program. Kids are welcome to attend!

Student Council Food Drive: Student Council is sponsoring a food drive the month of November to help those less fortunate in our community. The homeroom on each floor with the most items collected will receive an out of uniform day or extra recess.

Angel Mass: The annual Angel Mass will be held on Thursday, December 5th at 8:30 am. This heartwarming Mass will prepare your heart and mind for the Advent season.

World Diabetes Day: On Thursday, November 14th the students raised money to benefit the Juvenile Diabetes Research Foundation. Students wore the color blue and donated at least \$1 to be out of uniform. Thank you to all those who participated in this event.

Student Spotlight

On Friday, November 8th the seventh and eighth grade students went on a field trip to the Mexican Fine Arts Museum with Mrs. Dvorak and Ms. Senick. The students enjoyed learning more about the culture, viewing works of art and applying what they have learned in the classroom. Sophia H. said, "It was a great cultural experience." The students then went to lunch at Taqueria Los Comales. Maddy V. said, "It was fun to eat authentic food!" This surely is a trip that the students will remember. Logan M. summarized the trip nicely, "The museum was fun and the authentic Mexican food for lunch was even better!"

The preschool and kindergarten classes have been partaking in Blooming Explorers, a STEM program. While wearing lab coats and goggles the students explored the concepts of "Sink or Float" through three different hands-on experiments. The experiments were led by parent volunteers in small groups. The students analyzed what objects would sink or float and then discussed why. Jack R. said, "Dropping the golf ball in the water made a BIG splash!!" The kindergarteners were challenged to make a boat out of tin foil that could hold 36 pennies without sinking. After several trials there was success! "It was so much fun. My boat first sank but then I got it to float. I can't wait to do it again!" explained Franki P. This program connects STEM in the classroom and at home. The students loved taking their own science kits home to continue the exploration!
