Be Kind and Merciful through the 2020 Catholic Ministries Annual Appeal

All parishioners will receive a mailing from the Diocese of Joliet this month about the 2020 Catholic Ministries Annual Appeal (CMAA). Our annual appeal is vitally important to not only the diocese, but also to our parish as well. The CMAA supports 30 ministries that benefit every parish and allow us all to *Be Kind and Merciful* to the most vulnerable in our community.

Our parish's goal for the 2020 CMAA is **\$103,500**, and 70 percent of any amount we raise over our goal will be returned to us. This is a great opportunity for our parish! Please review the materials and then prayerfully reflect on your gift to this year's annual appeal.

If you do not receive a mailing from the diocese about the CMAA, please contact the parish office.

You're The Blessing We'll Never Know

By the Souls of the Little Ones

Penned by Tom Stalmach

Now we lay you down to sleep.
We pray the Lord your soul to keep.
Though you're gone before your time,
We offer you this lullaby.

We long to see your blessings,
And the gifts we'll never know.
Like barefoot laughter in the rain,
Or angels made in snow.

Like pictures of a home with love,
On refrigerator doors,
Or a tiny voice sayin'
"Who could ask for more,"
Just your tiny voice sayin'
"Who could ask for more."

I'd like to hug and kiss your cheek,
And hold you in my arms.
To dream of all that you could be,
And keep you from all harm.

But as it is we'll never feel,
the touch of tiny hands.

To change our hearts,
And heal our wounded land, wo, oh, oh.
To change our hearts,
And heal our wounded land.

We miss your hugs we'll never feel,
Their medicine will never heal.
Your feet will never grace our sod,
Or lead us down the path to God.

But from your home in heaven,
Please pray for us below.
Cause you're in our hearts,
And we'll never let you go, oh, oh.
You're in our hearts,
And we'll never let you go.

We ask of your forgiveness,
For the ones who did not know,
What they did,
Or they'd never let you go, oh, oh.
You're the Blessing,
That we'll never get to know.

Inspiration for the Song

In September of 2013 I went to "A Day of Remembrance" a day where people gathered at gravesites across our nation where aborted children were buried to remember and honor those souls. The gathering was at Queen of Heaven Cemetery in Hillside, IL where over 2000 aborted children that were found in a dumpster behind a medical pathology lab in Northbrook, IL were buried in two adult sized caskets. I went home after the gathering, but I could not shake the impact of the experience.

I decided to write a song to honor those children. I knew that it needed to be a lullaby, a lullaby for those who never heard a lullaby sung to them in this life. I prayed to the souls and asked them "what do you want me to say about you?". The reply to the prayer was immediate and plentiful and I learned a lot. The message that came back is that they are OK. There is no anger towards parents, doctors, or those who make our laws. What I felt come back to me was an excitement. They just wanted to share with me all those things that kids down here love to do, but they never got a chance to.

The visuals in this song came from them. I put pen to paper, but I truly believe they wrote the song for me which I entitled "*Your're the Blessing We'll Never Know*".

ships. The Resource Specialist is happy to report that Hannah is feeling positive about her pregnancy at this time. She plans to tell her children this weekend as she will have completed her first trimester. Hannah's relationship with Aspire will continue as she moves forward with OB care for her pregnancy. Waterleaf provided her much needed support and information at a very vulnerable time.

**THANK
YOU!**

Waterleaf would like to extend a heartfelt “THANK YOU” to the parishioners of Our Lady of Peace for participating in this year's Baby Bottle for Life fundraising campaign. As of February 11, 2020, parishioners at Our Lady of Peace have raised \$14,172.50! Your support ensures that we can provide the material and emotional support necessary for men and women to choose life for their babies. Sometimes, just the simple fact that our doors are open and a woman visits us, rather than an abortion provider, is the difference between life and death. We greatly appreciate your support, and ask that you keep Waterleaf in your prayers. For information about Waterleaf and our programs and services, please contact us at 630-701-6270 or visit us on the web at www.onechoiceonlife.org.

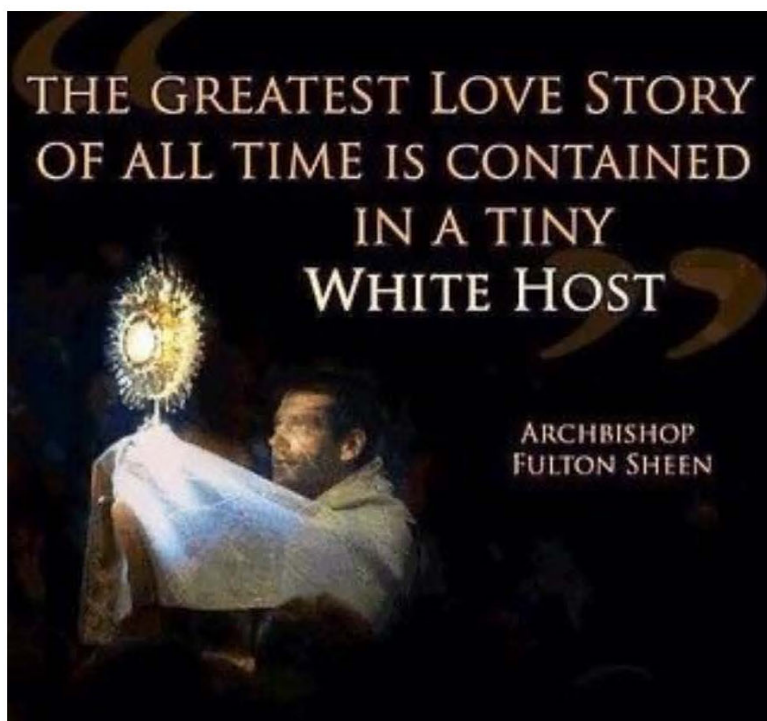

LIFE IN ACTION | HIGHLIGHT OF THE

“Hannah” confirmed she is considering abortion with her husband supporting her decision. She was struggling with the idea of ending this pregnancy and so had not told anyone about it other than her husband. During the ultrasound Hannah did not show much expression other than her slightly teary eyes that gave away her inner turmoil. Hannah did agree to return for a repeat ultrasound, agreeing it would be good to confirm continued viability. During the repeat ultrasound appointment, the baby was very active and she heard the heartbeat. Hannah said her expected due date is only one day off from her Grandma's birthday and that would make her Grandma happy. This was our first indication that Hannah and her husband are starting to adjust to the idea of having a new baby in their family. Directly following her appointment, Hannah met with our Aspire Resource department for an assessment so they could help her address her financial hard-
