## RETURN, RENEW, REJOICE!

*Return: to God's unconditional love!*

*Renew: your life in Jesus the Christ!*

*Rejoice: in your life of conversion!*

Fr. Tom Donaldson is a Catholic priest and member of the Redemptorist Congregation. The early years of his priesthood were spent as a parish associate followed by 12 years giving parish missions, including retreats for priests, deacons, and religious after which he was then a Pastor in two different parishes. Fr. Tom continues giving retreats and parish missions around the country and has been a guest speaker for various organizations and seminars. He has a Masters Degree in Addiction Studies. Since completing his coursework and degree, Fr. Tom is active in giving retreats for men and women involved in 12 step recovery. His ministry has taken him to working with parishes in their ministry to the addicted and their families.

Fr. Tom resides at St. Alphonsus Liguori "Rock" Church in St. Louis, MO, along with his Redemptorist Community.

Refreshments and fellowship each evening,  
along with open discussion after Monday & Tuesday morning Masses as well  
as fellowship and refreshments.

## *Be Kind and Merciful*

### Pledge your gift to the CMAA

Last weekend was Commitment Weekend for the 2020 Catholic Ministries Annual Appeal (CMAA). Please prayerfully reflect on how you can best support our annual appeal and help our parish reach its goal of \$103,500.

This year's CMAA theme is *Be Kind and Merciful*. In this spirit, the 30 ministries our CMAA supports help us do God's work here on earth. Providing these ministries is not only beyond the means of any one parish, the ministries benefit all of us, including our most vulnerable brothers and sisters.

Seventy percent of the amount we raise over our goal will be returned to our parish, for our needs. Please make a commitment to the CMAA today by completing a pledge envelope available in the pews. Our parish is counting on you for your support. Thank you for making the most generous pledge possible to this year's CMAA.

## 2nd Collection

RESTORE THE CHURCH  
BUILD THE FUTURE

This week, our special collection supports the Church in Central and Eastern Europe. Your donation today helps restore the Church and build the future in more than 20 countries still struggling to recover from Communist rule. Funds from this collection support reconstruction, education, formation, and poverty outreach. Please be generous to the collection today. For more information, please visit [www.usccb.org/ccee](http://www.usccb.org/ccee).

Please note that the date of the first Our Lady of Peace BLOOD PROGRAM drive in conjunction with the City of Darien will have been moved from February 25<sup>th</sup> to March 10<sup>th</sup>. The hours and place remain the same from 4:00 - 8:00 PM at Eisenhower Junior High School. This is an opportunity to help others in need and offer a special gift during this Lenten season. If you are 17 years of age or older and weigh at least 110 lbs. a pint of your blood is a special gift you can give to three individuals in need. This is a worthwhile community program that gives others the "Gift of Life". All it will cost you is approximately an hour of your time. Please remember to bring a photo ID with you and drink non alcoholic beverages before coming. If you have any questions please call Rosemarie Courtney at 630-964-8415 or e-mail her at [rdcourtney@prodigy.net](mailto:rdcourtney@prodigy.net).

### 2020/2021 School Year

Registration is underway for the upcoming 20/21 school year for Preschool-8<sup>th</sup> grade. Please contact the school office at 630-325-9220 for more information or to schedule a tour.

### Student Spotlight

To prepare for the Lenten season the students learned about Lenten promises and sacrifices. The students each chose a personal Lenten promise or sacrifice for the 40 days. Throughout Lent the students will be discussing Lent and our Catholic faith.

The kindergarten students are currently working on their subtraction skills. The students use a wide range of hands on manipulatives to help understand the subtraction process. We are very proud of our little mathematicians.

The 7<sup>th</sup> and 8<sup>th</sup> grade students during their Spanish classes received some culinary training this week. Classes were held in the school kitchen and the students cooked a variety of delicious foods such as arroz con pollo, tacos, guacamole, salsa and dulce de leche cake. This was definitely a very flavorful and tasty lesson! Thank you to Mrs. Dvorak for this fabulous experience.
