Be Kind and Merciful

Pledge your gift to the CMAA

We are pleased that so many parishioners have already pledged a gift to the 2020 Catholic Ministries Annual Appeal (CMAA). Your support will allow us to *Be Kind and Merciful* as, together, we do God's work here on earth.

Every gift brings us closer to our parish's 2020 CMAA goal of \$103,500. If we raise more than our goal, 70 percent of the amount over goal will be returned to us for our needs. This is an amazing opportunity for our parish.

Please prayerfully reflect on your pledge to this year's CMAA and make your gift today. Pledge envelopes are available in the church. You can also return the pledge card you received in the mail from the diocese, make a gift online at jolietdioceseappeal.org or text "Donate" to (815) 205-1949 from your mobile phone.

LIFE IN ACTION | HIGHLIGHT OF THE MONTH

February 2020

At 20 years old, "Karen" and her boyfriend "John" have already faced pregnancy difficulties together and this has been a cause for fear. In fact, Karen's pregnancy history scares her so much that having an abortion seemed like her best option. She had a previous C-section at 23 weeks and lost the baby. They also have a three-year-old daughter after another high-risk pregnancy. On top of all that, Karen is starting a new "dream job" that will require all of her attention.

At their first ultrasound, the baby was very clearly seen. Karen's response was "I'm undecided. I am further along than I expected to be."

When she returned for her second ultrasound appointment, Karen was 13 weeks pregnant. She told us that she and John had changed their minds and decided not to have the abortion!

During the ultrasound Karen marveled, "I'm excited. I didn't realize how big the baby was last time." The couple was amazed at the baby's heartbeat and movement. She and John happily accepted pictures of that ultrasound.

After their clinic visit, an Aspire Resource Specialist met with Karen. Given her medical history, the number one priority was to make sure Karen has insurance coverage during this pregnancy. She and the Resource Specialist worked together to research her current insurance under her employer and whether or not she could make changes outside of the enrollment period now that she is pregnant.

Karen and John returned for a third visit a week later and report being excited about this pregnancy and are ready to begin care under her OB/GYN. The Resource Specialist will continue their relationship by checking in on Karen from time to time, letting her know that Waterleaf cares.

During this holy season of Lent, we contemplate the agony and death of Jesus, but we also think joyfully of His resurrection. Similarly, many women in unplanned pregnancies are troubled and sad. They come to The Women's Center and receive help, counseling, and prayers. After they give birth they are filled with joy when they cradle their baby in their arms.

Take part in The Women's Centers flower sale this Mother's Day weekend: May 9 & 10, 2020. We will be selling bouquets of flowers after Masses at Chicago and suburban parishes. Check to see if your parish or church participates. Contact us for details or to sign up to help by calling 773-794-1313 or email John at jbiegel@gotwc.org.
